Support of the 2016 United HomeCare Annual Dinner is not limited to table sponsorships or ticket purchasing. The following underwriting opportunities are available and will help to defray the costs of the Dinner, thus providing more direct funding for United HomeCare programs that help older adults live a fulfilling life:

Event Program, Dinner Décor, Audio Visual, Cocktail Reception, Invitations, Awards, Postage, Signage, Favors, Entertainment

All underwriters will be recognized at the event.

42 YEARS AND BEYOND

For the past 42 years, United HomeCare has improved the lives of tens of thousands elderly and disabled individuals in Miami-Dade County. Today, United HomeCare is one of the leading non-profit home health and community care organizations in the State of Florida. Every week our 800 employees work hard to provide almost 5000 of our fellow citizens and neighbors with the dignity, independence and compassionate care they deserve.

Your support and financial contribution is vital to continue to grow and expand our services. As baby boomers age and retire, and medical advances increase lifespans, the need for home health care is greater than ever. Living independently at home is the best solution for the physical and emotional well-being of the vast majority of our clients.

For those individuals whose care needs go beyond what can be provided at home, United HomeCare now offers The Residences of United HomeCare®, a state-of-the-art assisted living community in West Kendall. Brand new, art-filled and refreshingly contemporary, this residential facility offers a quality, affordable, option for those needing a higher level of compassionate care.

As it has for over four decades, United HomeCare continues to promote independence and wellness to seniors and disabled adults who need help with the activities of daily life. Please continue to support our efforts to make a difference in their lives.

YEARS & BEYOND

CLAUDE PEPPER AWARDS

Throughout his 60-year career of public service at the local, state and national level, Claude Pepper fought for the rights and the welfare of the elderly and the poor. He understood that health care in the home and community was indispensable to the well-being of older Americans and worked tirelessly towards improvements in these and other services until his death in 1989. In 2016, as we mark the Twenty-Second Annual Claude Pepper Awards, United HomeCare once again cordially invites the community to celebrate the achievements of exceptional individuals among us who exemplify the spirit and ideals of the award's namesake.
